

# N500 HALOGEN

NORDIC LIGHTS® N500 Halogen driving light is an ideal heavy-duty headlight/indicator solution on a rear mount. The light integrates headlight, indicator and park light in one assembly. The N500 Halogen is ECE-approved.

Not all products are available in all markets. During continuous improvement specifications and design are changing. All values are nominal values. Illustrations do not necessarily show the design of every version and some features are version specific. The lumens output varies depending on lens colour.
